WHAT IS A POKER RUN?

A Poker Run is a boat rally that travels to multiple different locations to get a "stamp" on your special Poker Run form. At the end of the event the stamped cards are turned in and playing cards are drawn based on the number of stamps you have obtained on your form. 5 stamps = 5 playing cards; 7 stamps = 7 cards. You may visit all locations, but the maximum number of cards drawn is 7. Prizes are awarded for the top 3 poker hands. You may purchase and play more than one Poker Run form during registration. Poker runs are controlled events that promote responsible participation. **It is not a race.** Participants travel at their own speed. There is no benefit to being "first" to any of the card stops. Drinking of alcohol is **NOT** required. Participants are required to abide by all local, state, and federal laws. Speed limits on the road/river/canal **MUST** be followed at all times.

*Liverpool Lodge accepts no liability for vehicle infractions
or injuries during this event.*
